Purchaser may choose interior colours and material, from vendor's samples subject to their timely availability from the vendor's supplier and provided that the same have not already been ordered for this house. Variations from the vendor's sample may occur in bricks, finishing material, kitchen and vanity cabinets, floor and wall finishes due to normal production process. Purchaser is notified that the laundry room may be lowered to accommodate side yard drainage, in extraordinary cases, interior door(s) to garage may be eliminated at vendor's discretion. Corner lots and priority lots may have special treatments which may require window changes and minor interior modifications to balance and to improve the elevations of the house exposed to the street. The purchaser accepts these changes as necessary. When the purchaser is buying a home already under construction, the purchaser acknowledges that there may be deviations from the plan, elevation or layout and agrees to accept such changes as constructed on an "as built" condition. Any options shown on the plans and elevations may be available to the purchaser for an additional charge. The vendor will not allow the purchaser to do any work and/or supply materials to finish the dwelling prior to closing. The purchaser may not enter the dwelling during the construction process until the pre-delivery inspection as outlined by Taron. Prices and terms are subject to change without notice. The vendor reserves the right to substitute materials of equal quality.

Brochure presentations are artist concepts and do not include all aspects of offering.
